Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Wendlebury Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.

The Parish Council will review all risks annually and annotate actions.

Documents cont			Business conducted at Council meetings should be managed by the Chair	
Councillors	Losing a Councillor	L	When a vacancy arises there is a legal process to follow which leads to either a by-election or a co-option process. The more usual is a co-option which starts with an advert, acceptance of applications, consideration of applicants and co-option vote at a Council meeting. The Council tries to draw members from around the Parish to make sure each area is represented.	Existing procedures adequate including a separate Councillor Vacancy Policy
	Losing more than four Councillors to make the Council inquorate	M	If there are more than four vacancies at any one time, the Council becomes inquorate and the District Council will take over the running of the Council (at the Village's expense).	Procedures of Cherwell District Council are adequate
Election Costs	Risk of an election cost	L	Risk is higher in an election year, but there has never been an election in the village in living memory. However, this is no guarantee that it will not happen so the Council will set aside a sum each year to a maximum of £1,600 in case of an election (currently set at £800).	Existing procedure will be adequate for the four yearly elections but inadequate in the unlikely event of a by-election
