Dear Mrs Olds

Thank you for your letter of 21st June 2017 regarding housing developments at Wendlebury

In the case of a potential promoter wishing to fund a railway enhancement, it is Network Rail's policy – and indeed a condition of Network Rail's licence – to cooperate to explore the project's feasibility. It is in this context that a discussion has taken place as you suggest. Currently Network Rail has no plans to construct a new station between Oxford and Bicester. Finally, I can confirm Network Rail has no funding to construct a new station.

If you need any more details, I suggest you contact the potential promoter of a new station.

Yours sincerely
