Dear Sarah,

With apologies for the delayed response.

I am anticipating a summary of traffic calming measures and ballpark costs from SLR by the end of this week and should be in a position to share these with the Parish for further discussion early next.

In terms of the scheme more generally, we had appointed Buckingham as our contractor and were due to be ramping up activities on site over the autumn. Unfortunately due to them entering administration (buckinghamgroup.co.uk) this has pushed our programme back, albeit we will be continuing to progress with enabling works, including the improvements to Little Chesterton Road to facilitate the construction access, across the site where possible to minimise delays as far as practicable.

Kind regards,

Jonathan Dawes
